CHAIRMAN'S MESSAGE

I had only one goal in mind when I took over this college's responsibilities. The mission was never easy, but my management team made it possible. Declaring with assurance that the time has come for Sathyasai B.Ed College to expand its business with the only goal of providing candidates with a top-notch education that has evolved into a practical intellectual process. The moment has arrived to harness the energies, without boasting about the accomplishments. This is my chance to express my gratitude to our principal, the faculty, and every member of our esteemed college team. Quality education, hands-on learning, and holistic development form the foundation of our goal. In our opinion, education need to be grounded in experiences and applications rather than merely knowledge. It gives me great pleasure to state that our college has the best services available. We are committed to giving our student teachers a wide range of opportunities. I can promise you that this is the best college for your child. Your active involvement and interest in your child's development are much appreciated.

Wish you all the best!

**MR.P.SUNDARARAJAN, B.E.,
FOUNDER AND CHAIRMAN**

Chairman's Profile

The Sathyasai Group of Institutions' founder and chairman, Mr. P. Sundararajan, was born in Valanadu village in the Ramanadhapuram district in 1939. He was a rank holder throughout his BE in engineering at Anna University in Guindy and temporarily served in the Military Engineering Service, where he received various awards. Raised in a rural area, he became well-known in Chennai and made a major contribution to the city's infrastructure by building the Meenakshi and Rakki Theatres, the Meenakshi Marriage Hall and hospitals in Avadi and Ambattur. He spent almost a decade as a contractor for CPW and PWD, working on a variety of technical projects.

P.SUNDARARAJAN

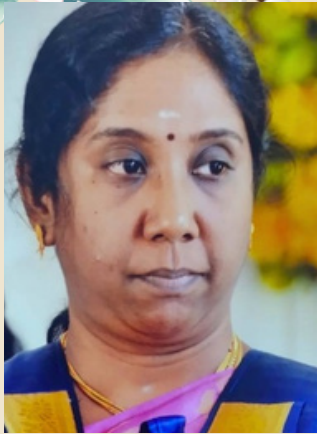

In addition to his engineering endeavours, he edited, wrote, published the Makkal newspaper. He established the Rajalakshmi Sundarajan Matriculation School in 1997 as part of the Rajalakshmi Sundarajan Education Society.

With the establishment of Sathyasai Teacher Training Institute in 2006 and Sathyasai B.Ed. College in 2007 under the auspices of the National Council of Teacher Education, the group broadened its offerings. As an educationist and visionary, Mr. Sundararajan has a strong commitment to high-quality education.

To continue its dedication to teacher preparation, the college launched an M.Ed. program in 2019 and an integrated B.Sc.-B.Ed. degree in 2017. With its excellent professors and facilities, Sathyasai B.Ed. College has earned certification from TNTEU, NCTE, and NAAC, making it one of Chennai's top universities.

CORRESPONDENT'S MESSAGE

Dr. S. Suganthi, a distinguished gynecologist and obstetrician practicing at Meenakshi Hospital, Avadi Camp, Chennai, serves as the Correspondent of Sathyasai B.Ed. College. A key pillar in the growth of the Sathyasai Group of Institutions, she is deeply committed to fostering its development.

Greetings to the Newly Joined Student-Teachers!

I commend your decision to join the College of Education after completing your undergraduate and postgraduate studies. The true essence of education lies not in acquiring facts but in training the mind to think critically. At Sathyasai B.Ed. College, we provide a comprehensive learning environment that fosters skill development, diverse experiences, and personal growth, leading to holistic development.

Dear future educators, with the knowledge and experiences you gain here, strive to be socially responsible. Promote equality and social justice, and always extend your efforts toward the betterment of society. Remember, "Even if you cannot do greater things, you can do small things in a greater way."

Wishing you all the best on this transformative journey!

13. QUIZ COMPETITION: CONTEMPORARY INDIA AND EDUCATION

As part of its on-going efforts to promote academic excellence and awareness among student-teachers, Sathyasai B.Ed. College organized an intellectually stimulating QuizCompetition on the topic “Contemporary India and Education” on 24th January 2025. The event witnessed enthusiastic participation from all student-teachers, reflecting their keen interest in current affairs and educational developments in the country. After a preliminary screening, a group of selected students was divided into two competitive teams-Team A and Team B.

The quiz comprised five well-structured and engaging rounds, covering a wide range of topics such as Indian education policies, constitutional provisions related to education, current affairs and reforms, National Education Policy 2020, and the role of teachers in nation-building. The competition was both informative and lively, encouraging quick thinking, collaboration, and a spirit of healthy competition among the participants.

At the end of the final round, Team A emerged as the winner, scoring an impressive 42 out of 50 marks, demonstrating their depth of knowledge and teamwork. Team B also gave a strong performance, making the competition exciting till the very end. The program was expertly organized and coordinated by Ms. V. Subashini, Assistant Professor in Biological Science, whose efforts ensured the smooth execution of the event. Her questions were thought-provoking, well-researched, and aligned with the theme of the competition. The event concluded with a brief felicitation ceremony, where the winners were applauded for their achievement.

A heartfelt vote of thanks was delivered, acknowledging the contributions of the organizing faculty, participants, and the supportive audience. Overall, the quiz competition served not only as a platform for testing knowledge but also as an opportunity to deepen the student-teachers' understanding of contemporary issues in education—an essential aspect of their professional growth.

15. 76th Republic Day celebration

Date: 26th January 2025, Time: 09.00 AM

Venue: Sathyasai college campus

76th Republic Day was celebrated at Sathiyasai B.Ed. College with immense pride, fervour, and patriotic enthusiasm. The entire campus came alive with the vibrant colours of the tricolour, as the grounds were beautifully decorated with flags, flowers, and banners that echoed the spirit of the nation. The meticulous decorations created an atmosphere of unity and pride, reminding everyone of the glorious journey of our democratic nation.

The celebration commenced with the hoisting of the National Flag by our respected Principal, Dr. T. Kanimozhi, followed by the soulful rendering of the National Anthem. The entire gathering-comprising staff members, student-teachers, and invited guests-stood in unison, saluting the flag with heartfelt respect and reverence. It was a moving moment, symbolizing the shared love for the country and a deep appreciation of the sacrifices made by countless freedom fighters.

The significance of the day was beautifully captured in the Principal's special address, where Dr. T. Kanimozhi highlighted the values enshrined in the Constitution and the role of educators in upholding and promoting those ideals. The celebration was further enriched by a series of cultural performances by the student-teachers. These included patriotic songs, energetic dances, inspiring speeches, and a thought-provoking skit that depicted the importance of constitutional values in today's society. Towards the end of the program, sweets were distributed to all attendees, adding a touch of joy and togetherness to the occasion. The event not only served as a platform for cultural expression but also reinforced the collective responsibility of the teaching community.

The Republic Day celebration at Sathyasai B.Ed. College was more than just a ceremonial event-it was a heartfelt tribute to our great nation. It served as a powerful reminder of our duties as future educators-to nurture values of patriotism, discipline, civic responsibility, and respect for the Constitution in the hearts and minds of the younger generations.

16.Release of Year Book 2024- 2025

It was a moment of pride and nostalgia for Sathyasai B.Ed. College as the much-awaited College Year-Book for the academic year 2024-2025 was officially released on 5th February 2025. The event took place at 3:00 PM in the chamber of our beloved Chairman, Er.P.Soundrarajan, who graciously presided over the ceremony. In a simple yet meaningful gathering, the very first copy of the Year-Book was received with great honor by Dr. T. Kanimozhi, Principal of SathyaSai B.Ed. College.

The event was graced by the entire teaching and non-teaching faculty, all of whom were filled with a sense of pride and joy as they witnessed the culmination of a year's hard work, growth, and cherished memories. The Chairman took a moment to appreciate and commend the editorial team and staff members who had dedicated their time and effort towards compiling and designing the Year-Book.

He acknowledged the meticulous planning, creative layout, and thoughtful content that reflected the vibrant academic and cultural life of the college. His words of encouragement were deeply motivating, especially for those involved in the editing and publication process.

The Year-Book 2024-2025 is more than just a collection of photographs and articles-it is a treasured archive of memories, achievements, and milestones. It beautifully captures the essence of campus life, including academic accomplishments, cultural programs, seminars, workshops, outreach activities, and student contributions.

It serves not only as a record of the year gone by but also as a mirror of the college's spirit and commitment to holistic education. For many, flipping through the pages of the Year-Book evoked fond memories of events, friendships, and learning moments that defined their time at Sathyasai B.Ed. College. It was a moment of reflection, pride, and inspiration for both staff and students alike.

The release of the Year-Book stands as a testament to the college's dedication to documentation, creativity, and community spirit. It is a valuable keepsake that will continue to remind everyone of their shared journey and the legacy they are building together.

17. Internship Teaching Practice feedback' 2024-2025

As part of the teacher education curriculum, the Compulsory Teaching Practice for the academic year 2024-2025 commenced on 9th September 2024 and extended over a period of 16 weeks. This intensive school internship program served as a crucial phase in the professional development of our student-teachers, providing them with hands-on teaching experience in real classroom settings. A total of 99 student-teachers were placed across 53 schools, including both government and private institutions, offering diverse teaching environments.

The internship aimed to bridge the gap between theoretical knowledge and practical application, enabling student-teachers to experiment with and implement various pedagogical approaches learned during their coursework.

During the internship, prospective teachers were encouraged to tailor their teaching methods based on the nature, involvement, and learning needs of the students. They had the freedom to choose and adapt pedagogical strategies that would lead to meaningful and effective learning outcomes.

The instructional methods employed ranged from:

1. Participative learning and interactive lectures,
2. Group discussions and problem-solving techniques,
3. To debates, peer teaching, and lab-based instruction.

These varied approaches allowed student-teachers to understand classroom dynamics and cater to diverse learning styles. Additionally, student-teachers were expected to engage in action research to address real-time classroom challenges, such as managing disruptive behavior, improving student engagement, or enhancing learning outcomes.

They also conducted case studies to observe, analyze, and understand unusual behavioral patterns among students, thereby gaining deeper insights into child psychology and learner diversity. Overall, the School Internship Program was a transformative experience that not only enhanced the teaching competencies of the student-teachers but also instilled in them a sense of professional responsibility, adaptability, and reflective practice-essentials for becoming effective educators in today's dynamic educational landscape.

18. Model Practical Examination

To ensure that student-teachers were well-prepared and confident for the upcoming Practical Examinations conducted by the Tamil Nadu Teachers Education University, Chennai, Sathyasai B.Ed. College organized a Model Practical Examination on 22nd February 2025. The event was held at the B.Sc., B.Ed. Wing Seminar Hall and served as a valuable rehearsal opportunity for students to refine their teaching skills, presentation abilities, and overall preparedness. We were honoured to have Dr. S. Suganthi, MBBS, our esteemed Correspondent, who graciously consented to be the Chief Guest for the occasion. Her presence added motivation and encouragement to the aspiring educators, and her insights further emphasized the importance of practical application in the teaching profession.

A total of 85 student-teachers actively participated in the model examination, enthusiastically presenting their instructional models, teaching aids, and demonstration lessons. The exhibits reflected creativity, pedagogical understanding, and innovative teaching methodologies. These teaching aids covered a range of subjects and concepts, showcasing the students' ability to integrate theory into practice effectively.

The model practical exam aimed to simulate the real examination environment, providing students with hands-on experience in managing time, handling teaching materials, and confidently delivering lessons. To recognize excellence and encourage healthy competition, prizes were awarded to the best-performing students based on their innovation, clarity, subject knowledge, and presentation skills. The winners were applauded for their efforts and served as an inspiration to their peers.

The event was a resounding success and significantly contributed to boosting the confidence and competence of the student-teachers. It reaffirmed the college's commitment to holistic teacher preparation and academic excellence.

Students Feedback

As a representative, I would like to share my feedback regarding the functioning, environment, and overall quality of the SATHYASAIB.Ed college. The college is performing well with dedicated faculty, supportive administration, and a positive learning environment. Teaching methods are practical and student-centered, and the facilities like the library and ICT labs are effectively maintained. Regular workshops and activities enhance students' skills and confidence. Strengthening digital resources and expanding internship opportunities can make the training experience even better. Overall, the institution is committed to quality teacher education and continuous improvement.

The college provides a very calm and student-friendly learning environment, which makes it easy for us to focus on our studies. The teachers here are very dedicated, and they always make sure that every student understands the concepts clearly. They use simple explanations, real classroom examples, and interactive activities, which help us learn teaching techniques effectively. Our college also gives a lot of importance to practical exposure.

This institution stands as a beacon of knowledge, character building, and holistic development. During my years as a student, I witnessed an unwavering commitment to quality education, research orientation, and student welfare. The faculty members consistently motivated us to explore beyond the textbook, ask questions, and think independently. The exposure we received through academic events and initiatives enriched my understanding of the subject and widened my perspectives. I owe much of my professional competence to the intellectual rigour and strong moral grounding cultivated here. It is with great pride that I acknowledge the institution's role in shaping my journey.
